

REMARKS

This application has been carefully reviewed in light of the Office Action dated May 4, 2004. Claims 1 to 30 and 38 to 65 are in the application, of which Claims 1, 29, 30 and 38 are independent claims. Reconsideration and further examination are respectfully requested.

Applicants thank the Examiner for the indication of allowable subject matter in Claims 1 to 30. In addition, Claims 38 to 65 were indicated as allowable except for objections to the claims over informalities. Specifically, the Office Action contended that certain features of Claim 38 lacked sufficient antecedent basis. Claim 38 has been amended to address these informalities, and as such, Claims 38 to 65 are believed to be allowable.

No other matters being raised, it is believed that the entire application is fully in condition for allowance, and such action is courteously solicited.

Applicants' undersigned attorney may be reached in our Costa Mesa,
